## 2019 Cross-border Tax Conference cum 6<sup>th</sup> Hong Kong Certified Tax Adviser Conference

# BEPS 2.0 - Tax Without Borders? 8<sup>th</sup> November 2019

Last year, the Hong Kong Certified Tax Adviser Conference was well received with over 230 participants including Mainland and Hong Kong government officials, experts in economic and finance industries, accounting and tax practitioners, professors and representatives from other professional bodies.

This year, the Hong Kong Certified Tax Adviser Conference is organized jointly with the 2019 Cross-border Tax Conference (the Conference), in collaboration with The China Certified Tax Agents Association (中國註冊稅務師協會), The Taiwan Provincial Certified Public Accountant Association (台灣省會計師公會) and The Taxation Association of Macau (澳門稅務學會). The Institute has also extended invitations to prominent speakers from overseas, Mainland China's and Hong Kong's tax authorities including the Financial Secretary of the Government of the HKSAR, the State Taxation Administration, the Inland Revenue Department of the HKSAR Government and the Organisation for Economic Co-operation and Development (OECD). The Conference will discuss issues on data transparency, tax haven, substance requirements and digital economy, and is expected to be attended by around 300 participants.

The Conference continues to offer a platform for exchanging the latest tax development and helping participants acquire industry insights to prepare for unexpected challenges in the future. It also serves as a great platform for sharing insights on how to leverage on the numerous opportunities from the Greater Bay Area.
